Re: Tavarez-Vargas v. Space Exploration Technologies Corp., 1:21-cv-10387-JPO
Request to Extend Time to Respond

Dear Judge Oetken:

We represent defendant Space Exploration Technologies Corporation ("SpaceX") in connection with the above-referenced action. Pursuant to Your Honor's Individual Rules and Practices in Civil Cases, we write, with the consent of counsel for Plaintiff Carmen Tavarez-Vargas ("Plaintiff"), respectfully to request that the Court extend SpaceX's time to respond to the Complaint for a period of 30 days, *i.e.*, from January 6, 2022 to February 5, 2022. This is SpaceX's first request for an extension of time to respond to the Complaint.

In support of this request, counsel for SpaceX states that it was recently engaged in this matter and requests this extension of time in order to become familiar with the facts and allegations set forth in the Complaint. If granted, this extension will not affect any other date scheduled in this action. As noted above, Plaintiff's counsel consents to this request.

We thank the Court in advance for its consideration of this request.

Respectfully submitted,

/s/ Michael F. Fleming
